

Dan Beuermann Memorial Award

Dan Beuermann was a young man who always loved his friends, family and HOCKEY.

His greatest fan was his Grandpa "Doc".

He had his share of broken bones during his hockey days but that never stopped him from playing the "Greatest Canadian Game"

Dan was a dedicated hockey player. He very rarely missed a practice or game and was always keen to put his effort on the ice.

Dan and his three younger brothers all played, so everyone knew where to find the Beuermann family Friday night. Yes, your right the BM&G arena from 4:30-10:00 p.m.

He would have been proud to see how hard you Pee Wees worked to better your game.
